Best Companies to Work for in Texas 2010: Legiant

AUSTIN, TX – December 2, 2009 – Legiant, a leader in time and attendance systems, was recently selected as one of the Best Companies to Work for in Texas 2010. The awards program was created in 2006 and is a project of Texas Monthly, the Texas Association of Business (TAB), the Texas State Council of the Society for Human Resource Management (TSC-SHRM) and Best Companies Group.

This statewide survey and awards program was designed to identify, recognize and honor the best places of employment in Texas, benefiting the state's economy, its workforce and businesses. The Best Companies to Work for in Texas 2010 list is made up of 85 companies. Legiant has been named one of the Best Companies to Work for in Texas.

Companies from across the state entered the process to determine the Best Companies to Work for in Texas. The first part consisted of evaluating each nominated company's workplace policies, practices and demographics. The second part consisted of an employee survey to measure the employee experience. The combined scores determined the top companies and the final ranking. Best Companies Group managed the overall registration and survey process in Texas and also analyzed the data and used their expertise to determine the final rankings.

Legiant will be recognized and honored at the Best Companies to Work for in Texas awards ceremony on Thursday, January 28, 2010 at the Texas Association of Business 2010 Annual Conference. The final rankings will be announced at the luncheon.
