Legiant Grows 46% Offering Proven Time and Attendance Solutions

AUSTIN, TX – April 30, 2009 – Legiant today announced their first quarter successes and plans for company expansion in the second quarter. Legiant reported a 46 percent increase in sales in the first quarter of 2009 compared to the first quarter of 2008. Legiant provides time and attendance software to organizations that require a robust, secure and cost effective solution for managing their workforce.

In the past six months, Legiant has continued to grow as one of the leaders in the time and attendance industry. A variety of organizations across the United States have selected Legiant to provide time accounting solutions that will lower their costs and increase payroll accuracy. Recent customers include Dynamex, Portsmouth Public Schools and Yakima Valley Farm Workers Clinic.

By the end of April, the headquarters for Legiant in Austin, Texas will move to a new location to accommodate their growing workforce. In 2008 Legiant increased their staff and they plan to hire more sales and professional services representatives this year.

“Legiant has continued to thrive despite the troubled economy,” said Walter Ross, chief executive officer of Legiant. “The selling environment has certainly changed, but organizations need a way to lower costs without reducing their workforce now more than ever. Our time and attendance solutions have proven to lower labor costs and increase workforce productivity in these difficult times.”

For over a decade, Legiant has been leading the way in the time and attendance industry with features like zero-footprint installation, automatic workflow notifications and web-based solutions. This year Legiant will be exhibiting at several major tradeshow, including the APA Congress, the SHRM Annual Conference and the HR Southwest Conference. For more information on upcoming events, visit Legiant’s website at www.legiant.com.

About Legiant

Legiant is a leading provider of web-based time and attendance software for payroll, attendance, productivity, leave and project tracking. Flexible time and attendance tracking solutions help Legiant's enterprise customers maximize the profitability and productivity of their workforce. Solutions such as Legiant Timecard™ and Legiant Express™ can be customized to meet the unique needs of any organization including mobile workforce tracking, payroll automation or automated time and attendance and workforce productivity reporting. Legiant combines software, hardware, and professional services to create a comprehensive time tracking solution, easy-to-use and accessible from anywhere through a Web-based interface. Legiant integrates with the majority of payroll systems and supports biometric data collection devices.
